

S5 Summer School 2010 at University of St Andrews

The Sutton Trust Summer School at the University of St Andrews is aimed at the current Fifth Year students. It offers a chance to experience a (free of charge) week in the life of a university student and it has been proved that this experience is of great benefit when applying to competitive universities.

The residential week includes study within academic areas of interest, social activities and advice on UCAS related topics.

For further information and to make an online application visit www.suttontrust.com or www.st-andrews.ac.uk/suttontrust
